

Company Membership Program

Key to investing in your Employees

It's Worth It!

Receive an ROI with CE credits alone!

RETAIN QUALIFIED EMPLOYEES

Lower your employee turnover rate through membership in CMSA. Attracting and retaining qualified case managers is one of the most frequently reported concerns of CM employers. Inspire employee goodwill and cultivate loyalty by investing in your case managers' professional development. In the volatile health care industry, trained employees are invaluable assets.

ENJOY COST SAVINGS

Save up to 50% per member through CMSA's Company Membership Program. The more employees you sign up as members, the more your discount! Chapter dues are included in the Company Membership rate (one local chapter per member).

EMPLOYEES LOVE BENEFITS!

Purchase a member level that best fits the needs of your organization. Each member under this account receives a membership to both the National organization and one Local Chapter. Company member discounts available based on volume.

ONLINE MEMBER MANAGEMENT

Through the Company Membership Program, the employer retains ownership of the individual accounts. Memberships are also transferable, so no need to worry about losing your investment when an employee leaves your company.

Inviting employees to join the group account on-line allows them to become members as soon as they complete the on-line form and begin accessing benefits right away!

Need to add or remove a member? Need to check your membership list to see who is currently receiving member benefits? All of this can be done with a simple click of a button.

As a CMSA member you have unlimited access to:

- 24-hour access to 160+ CE courses
- Standards of Practice for Case Management 3 Complementary Publications
- 1 free conference registration (\$895 value) per 25 members
- Discounts on CMSA Exclusive Educational Programs
- Access Care Management Industry Directory
- Connection to a community of over 35,000 members and subscribers

ENJOY COST SAVINGS

Save up to 45% per member through CMSA's Company Membership Program. The more employees you sign up as members, the more your discount! Chapter dues are included in the Company Membership dues, your savings can be substantial (one local chapter per member).

GET STARTED TODAY!

In a just a few easy steps your employees can gain access to all of the many benefits of being a CMSA member.

The leading membership association providing professional collaboration across the health care continuum.
