

# CEU Presentation at Water's Edge: Ethics Workshop

Wednesday, Oct. 10th | 5:00pm - 8:00pm

## **WORKSHOP DESCRIPTION:**

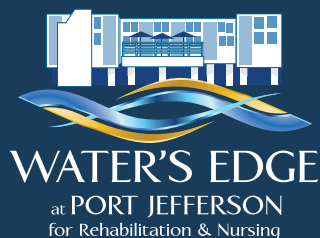

Ethics Workshop will cover and define Professional Values, Code of Ethics, Ethical Responsibilities, Strategies to Maintaining Ethics, and Decision-Making tools. Workshop will be educational and interactive, providing theories, case examples, and hands on learning activities. Speaker will discuss and define boundaries, boundary crossings, boundary violations, conflicts of interest, ethical dilemmas, and dual relationships.

**2 CEU Credits** – Please ensure you have your license number and current email address available. Certificates will be emailed to attendees in a four week timeframe.
