## Webinar Registration Instructions

Right at Home and the American Society on Aging (ASA) are partnering to bring you this free webinar, hosted by Debbie Friedman, who has designed, developed and facilitated training globally for more than 13 years. Friedman facilitates a bi-annual Human Resources certification course, and serves as Commission Chair for the International Association for Continuing and Training. She is a Prosci-certified change manager and a certified facilitator for Situational Leadership training. Debbie will be discussing elements that are critical to keep in mind when working with individuals living with Alzheimer's and other dementias or cognitive decline.

The instructions below will help participants complete the registration process for the webinar. If you're having trouble with your Internet browser or other technical issues, please call the ASA's Customer Support Department for immediate assistance at 415-974-9600 between the hours of 10 a.m. and 7 p.m. CST Monday through Friday.
