30 years of Care Transitions Across the Full Continuum

June 28 – July 2, 2020

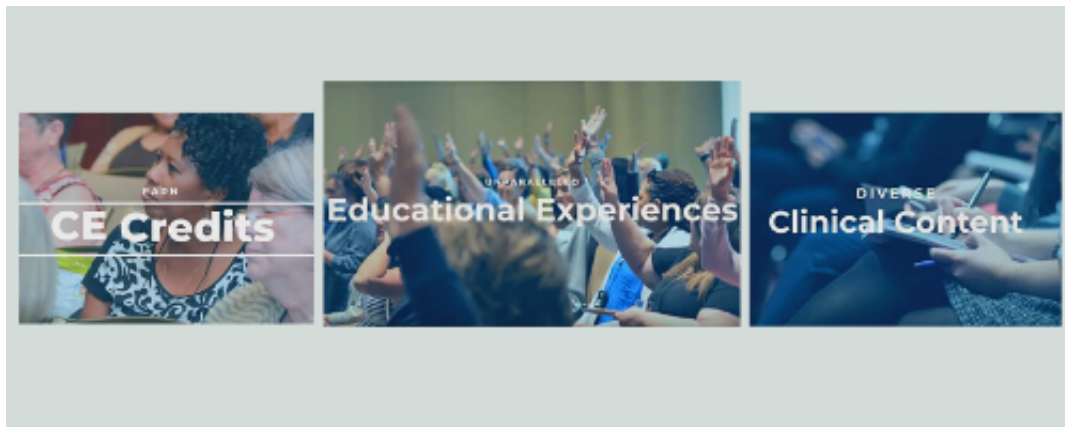

We have another exciting announcement...

Our industry counterparts – the Commission for Case Manager Certification® (CCMC) and the American Case Management Association (ACMA) – have reignited their reciprocity of continuing education activities. What does this mean for you?

If you hold ACM and/or CCM credentials, any pre-approved PACE CCM credits will now go toward CE renewal hours for BOTH credentials. ***That applies to continuing education hours earned at CMSA's 30th Annual Conference & Expo: Virtual Edition later this month!***

With up to 71 possible continuing education credit hours available at our virtual conference, it is a great way to earn your CE hours for your renewals in the coming months and years. A win-win for case managers!

This year experience diverse clinical content, unparalleled educational experiences and much more!

Gather your friends and colleagues from around the globe and register today for CMSA's first ever virtual conference!
