Dear Health Care Professional:

We are honored to inform you in June 2018, the Long Island Chapter of CMSA was awarded the Chapter Excellence and Innovation Award in Educational Programming. It is because of supporters, like you, we have attained our success!

CMSA is a national non-profit organization which looks to companies, such as yours, for support both professionally and financially. Please consider being a sponsor, thereby helping the Long Island Chapter of CMSA maintain the level of excellence in educational planning.

Every year, we invite dynamic speakers to present to the Chapter members diverse topics. We expect our planned educational events will result to a minimum of 50 attendees. In the past, our attendees included case managers in the acute, sub-acute, skilled nursing, homecare, workers compensation, and managed care arenas as well as social workers and other health care professionals.

The Long Island Chapter of CMSA is looking for your sponsorship at one of our Chapter Meetings for the upcoming year. Below are the months we have available for these opportunities.

Your contribution of \$700 allows your company a networking opportunity for 45 minutes, a 6-ft table to display your promotional materials, recognition on the meeting flyer distributed to over 200 Long Island CMSA members and nonmembers, and recognition at the general meeting.

CMSALI Meeting Dates - Topics to Be Announced
